KEY CONTRACT INFORMATION

1. MANDATORY USE CONTRACT:

[\(Return to Table of Contents\)](#)

REF: Title 29, Chapter 6911(d) Delaware Code. Every state department and agency within the Executive Branch and Judicial Branch of the state government shall procure all material, equipment and nonprofessional services through the statewide contracts administered by Government Support Services, Office of Management and Budget. Delaware State University, Delaware Technical and Community College, the operations funded by Public School Districts, Delaware Transit Corporation, Department of Elections, the Legislative Branch and the Board of Pension Trustees and their consultants are specifically exempted from the requirements of this subsection.

2. CONTRACT PERIOD:

[\(Return to Table of Contents\)](#)

Each Vendors contract shall be valid for a one (1) year period from February 1, 2008 through January 31, 2009. Each contract may be renewed for four (4) one (1) year periods through negotiation between the contractor and Government Support Services. Negotiation must be initiated no later than ninety (90) days prior to the termination of the current agreement.

3. VENDOR:

ADDITIONAL TERMS AND CONDITIONS

[\(Return to Table of Contents\)](#)

6. BILLING:

The successful vendor is required to **"Bill as Shipped" to the respective ordering agency(s).** Ordering agencies shall provide at a minimum the contract number, ship to and bill to address, contract name and phone number.

7. PAYMENT:

The agencies or school districts involved will authorize and process for payment each invoice within thirty (30) days after the date of receipt. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

8. PRODUCT SUBSTITUTION:

All items delivered during the life of the contract shall be of the same type and manufacture as specified unless specific approval is given by Government Support Services to do otherwise. Substitutions may require the submission of written specifications and product evaluation prior to any approvals being granted.

9. ORDERING PROCEDURE:

Successful contractors are required to have either a local telephone number within the (302) area code, a toll free (800) number, or agree to accept collect calls. Each agency is responsible for placing their orders and may be accomplished by written purchase order, telephone, fax or computer on-line systems. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

10. DOC SECURITY REQUIREMENTS & PROCEDURES

REQUIREMENTS

The correctional facility has issued regulations to be observed by all Contractors working on the Project in order to minimize disruption to prison operations, maintain security and to facilitate the construction process. While working inside the prison facilities on a regular or occasional basis, it must be clearly understood that prison security requirements will at all times take precedence over construction operations. The Contractor shall comply with all such regulations and consider the regulations when preparing his/her bid.

WORKING AT A DEPARTMENT OF CORRECTION FACILITY

- a. In order for the Department of Correction (DOC) to ensure security on the job site, the Prime Contractor shall submit a list of all proposed workers who will be working on the site, to the DPC including their name, social security number, age, sex, race and date of birth. The list shall be used by the Department of Correction for a background check.
- b. Workmen will not be permitted on the campus without approval.
- c. All tools, equipment, supplies, etc., shall be removed from the compound building daily.
- d. A list of tools must be supplied with each truck. Inventory shall be taken by the contractor at the beginning and end of each workday. Correctional Officers reserve the right to inspect and inventory all toolboxes, workmen and trucks. Report all missing tools immediately. Leave all unnecessary tools at the shop.
- e. Trucks should be kept clean of debris. Trash within the vehicle increases the amount of time it takes the guards to inspect the vehicles.
- f. Proper construction clothing is required. Short pants are not permitted.
- g. Contractors shall include, in their bid, a sufficient amount of time to enter and depart the facility in a given day. As an example of past projects at a Department of Correction site, it takes between one half to one hour to enter or leave the facility.

DOC SECURITY REQUIREMENTS & PROCEDURES (continued)

WORKING AT A DEPARTMENT OF CORRECTION FACILITY (Continued)

- h. Contractor is also advised that only limited movement will be permitted while inside the compound.
- i. Contractors are requested to notify the Director of custody of Operations upon the termination of worker's services in order that the identification card on file can be pulled and rendered inactive.
- j. Completion of "A" Short Form is required for all employees (see next page for "A" Short Form).

CONTRABAND/TOOL CONTROL

- a. Title 11, Section 1256 of the Delaware Code specifies that, "a person is guilty of promoting prison contraband when: (1) they knowingly and unlawfully introduces any contraband into detention facility, or (2) being a person confined in a detention facility, he knowingly and unlawfully makes, obtains, or possesses any contraband."
- b. No one may introduce into or possess on the grounds of any institution of any of the following which are considered to be contraband except as noted.
 - 1. Any intoxicating beverage.
 - 2. Any narcotic, hypnotic, barbiturate, hallucinogenic drug, central nervous stimulant or prescription drug except as authorized or approved by an institution affiliated physician.
 - 3. Any firearm or instrument customarily used or designed to be used as a dangerous weapon, or an explosive device, except as authorized or approved by an institution and/or Departmental Administration.
 - 4. Any instrument that may be used as an aid in attempting an escape.
 - 5. Hypodermic needle, syringe, or other article, instrument or substance specifically prohibited by the institution administration except as authorized.
 - 6. An article of State property for the purpose of removing it from State property without authorization from administrative or supervisory personnel.
- c. In addition to above, no inmate may possess:
 - 1. Any tool, instrument or implement which could be used as a dangerous weapon except as are assigned by and used under the supervision of authorized personnel.
 - 2. Money.
 - 3. Inmates are not permitted to fraternize with the public or contractors.

DOC SECURITY REQUIREMENTS & PROCEDURES (continued)

- d. Private Contract Repair and Maintenance Workers: Private contracted or contract maintenance workers by, or under contract to perform services, maintenance repair or construction within the Institution must complete an inventory listing of all tools, tool boxes and related equipment prior to admittance into the Institution. A staff member as so assigned must escort tradesmen or other non-employee workers while in the. At entry control points vehicles and personnel will be searched, to include any tools or relating equipment. No tools will remain on won work sites upon departure. Activities must be performed as authorized with proper security and safety precautions.
- e. Classification of Tools: It is difficult to classify every specific tool. However, the classification tools can be determined according to the following categories.
 - 1. Restricted tools are items that can be used by inmates either in effecting an escape or causing date or serious injury. The following tools are typical examples:
 - a. Diamond-point drills
 - b. Ice picks
 - c. Hones and sharpening stock.
 - d. Metal cutters, blades
 - e. Bolt cutters
 - f. Cleaners
 - g. Cutting torches
 - h. Electric drills, portable
 - i. Electric bench and portable grinders
 - j. Files
 - k. Gear pullers
 - l. Diamond point and regular hacksaw blades.
- f. Lost or stolen tools must be reported to security of the Department of Correction.
- g. Broken saw blades must be removed from the property (not left or discarded on site).

GENERAL REQUIREMENTS

- a. When workers are finished for the day, all tools will be accounted for by the worker and escorting officer.
- b. Workers are not permitted to wander from the work area. Should a worker need to go to another area, he/she will be escorted by an officer.
- c. Should work require more than one day to complete the job, permission to construct and use temporary storage facilities is solely at the discretion of the prison authorities. The facility will not accept responsibility for any loss or damage to materials left on site. All tools and equipment should be removed daily.

DOC SECURITY REQUIREMENTS & PROCEDURES (continued)

GENERAL REQUIREMENTS (continued)

- d. It is essential that construction operation and debris removal be conducted in a manner to assure that materials which might be used as weapons do not fall into the hands of inmates.
- e. Anything of unusual nature as loss of key, identification cards, tools, piping, etc., shall be reported immediately to the escorting officer.
- f. In the event that construction requires the description of plumbing, electrical power, etc., the Director of Custody of Operations must receive at least twenty four (24) hours advance notice in order to preserve security and not to disrupt routine activities. When temporary shutdown of service is unavoidable, the work shall be completed at night during a time when the institution's routine will not be interfered with.
- g. Workers will be denied access to controlled areas should they have relatives or close friends incarcerated in the facility.
- h. Workers shall be subjected to all rules and regulations and shall comply with the escorting officers' instruction accordingly.

SPECIAL REQUIREMENTS

- a. Materials shall be moved through the buildings using rubber tire vehicles which shall be properly controlled at all times to avoid damage to existing walls, floors, and ceiling surfaces, including doors and door and/or window frames.
- b. Water damage will not be tolerated and it is incumbent upon the contractor to take all steps necessary to keep the existing premises dry at all times.
- c. Certificates shall be on file with the Construction Manager prior to commencement of any welding.
- d. Existing streets, pavements, lawns, curbs and other finished surfaces disturbed or damaged by excavation or other construction activities shall be repaired and restored to their original conditions to the satisfaction of the Owner and local authorities.

DOC SECURITY REQUIREMENTS & PROCEDURES (continued)

SITE SECURITY

- a. The following regulations must be observed by all persons having any association with the construction of this project (employees, subcontractors, workmen, service men, manufacturer's representative, etc.):
 1. Photo Identification Card
 - a. Each trade subcontractor shall submit a list of workers who will be on site. The list will contain the following information on each employee:
 1. Name;
 2. Date of Birth;
 3. Social Security Number;
 4. Address.
 - b. Each trade subcontractor will pick up the photo identification cards at the Main Gate (where they will be secured when not in use). He will transport the identification cards and issue the identification card upon arrival of the construction workers (after identifying the worker). The cards will be collect at the end of the day and returned to the Main Gate.
 2. Assigning Men to the Site
 - a. Each trade subcontractor shall notify the Maintenance Superintendent twenty four (24) hours in advance, but not later than 12:00 Noon, on the previous work day before sending men to the project site, so an officer can be assigned to accompany all his personnel.
 3. Tools and Materials
 - a. No tools or materials shall be left unguarded at any time, and they shall be removed from the working areas at the end of each working day or at anytime the workmen and assigned officer leave the area.
 4. Prison Records
 - a. Where a workman or representative visiting the institution has a prison record, the trade subcontractor shall be responsible for obtaining the particulars concerning his record, and notifying the institution at least seventy two (72) hours in advance of his visit. The institution will then notify the trade subcontractor and give or deny permission for that person to enter the institution. Any workman denied entrance to the institution must be replaced by the trade subcontractor or subcontractor at no additional cost.

DOC SECURITY REQUIREMENTS & PROCEDURES (continued)

SITE SECURITY (continued)

5. Workmen Lunch Area/Searches

- a. Workmen will be expected to stay in their respective working areas during their lunch period, unless leaving the grounds is permitted.
- b. All workmen will be expected to submit to a search of themselves, their toolboxes, lunch containers, and/or their vehicles at any time, if the search is deemed necessary.

6. Prohibited Items

- a. The following items are prohibited from being brought onto the prison grounds and construction site:
 1. Alcoholic beverages and drugs;
 2. Explosive and firearms.

7. Working Dress and Workmen:

- a. Workmen will maintain proper attire while working at the institution.
8. It is forbidden to aid or abet the escape of any inmate, or to advise, connive or assist in any escape, or to conceal any inmate after escape, or withhold information pertaining thereto. Violation of this prohibition can result in prosecution and the law provides for punishment of fine and imprisonment.
 9. It is likewise strictly forbidden to bring into or take out of the prison either for pay, or for favor, for any inmate, any article, without the proper authorization from the Maintenance Superintendent.
 10. It is forbidden to roam at will throughout the prison. Workers are restricted to going directly to those places where the work is conducted and remaining away from all areas where they have no business to conduct.
 11. It is prohibited to socialize, exchange pleasantries, or conduct business with inmates in traffic areas (hallways, center areas, etc. Also no affectionate or intimate behavior between official visitors and inmates is permitted.
 12. All automobiles are to be parked in a location designated by the Maintenance Superintendent. Parked vehicles must always have the ignition and doors locked.

DOC SECURITY REQUIREMENTS & PROCEDURES (continued)

SITE SECURITY (continued)

13. No photographs may be taken without proper authorization. No public news releases may be given without similar authorization.
14. Escorting of any person, not previously approved, onto the prison grounds or into the prison is prohibited.
15. The offering and/or giving of any tips, gratuities, fees, etc. to any inmates and/or prison personnel are strictly prohibited.
16. The use of indecent, abusive, or profane language is forbidden anywhere on the prison property.
17. Civilian or other clothing should not be left carelessly in places where it may be acquired and worn by inmates.
18. In the even an acquaintance, friend, or relative of contractor's employee should be an inmate of the institution at which work is being conducted, it is advisable that you communicate this confidentially to the Maintenance Superintendent.
19. Tools and Equipment Safety:
 - a. Flammable Liquids: Maintain flammable liquid (e.g., gasoline, fuels, etc.) in secure containers at all times, in compliance with OSHA regulations.
 - b. Tools: Maintain tools and related equipment (e.g. sprinkler heads, hydrants, wires, cables, ducts, manholes, posts, poles, signals, alarm boxes, etc.) at all times.
 - c. Powder Actuated Tools: Comply with Owner's and Maintenance Superintendent direction for control of powder used and stored.
20. Construction Personnel Vehicle Parking:
 - a. Parking spaces for privately owned vehicles operated by construction personnel may be limited.
 - b. The Maintenance Superintendent will assign areas within the prison site for parking. Sufficient space will be provided to park privately owned vehicles operated by construction personnel on site.

11. HOLD HARMLESS:

The contractor agrees that it shall indemnify and hold the State of Delaware and all its agencies harmless from and against any and all claims for injury, loss of life, or damage to or loss of use of property caused or alleged to be caused, by acts or omissions of the contractor, its employees, and invitees on or about the premises and which arise out of the contractor's performance, or failure to perform as specified in the Agreement.

12. NON-PERFORMANCE:

In the event the contractor does not fulfill its obligations under the terms and conditions of this contract, the ordering agency may purchase equivalent product on the open market. Any difference in cost between the contract prices herein and the price of open market product shall be the responsibility of the contractor. Under no circumstances shall monies be due the contractor in the event open market products can be obtained below contract cost. Any monies charged to the contractor may be deducted from an open invoice.

13. FORCE MAJEURE:

Neither the contractor nor the ordering agency shall be held liable for non-performance under the terms and conditions of this contract due, but not limited to, government restriction, strike, flood, fire, or unforeseen catastrophe beyond either party's control. Each party shall notify the other in writing of any situation that may prevent performance under the terms and conditions of this contract.

14. AGENCY'S RESPONSIBILITIES:

The Agency shall:

- a. Examine and review in detail all letters, reports, drawings and other documents presented by the Contractor to the Agency and render to the Contractor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Contractor.
- b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.

15. NON-POWER HAND TOOLS LIFE TIME GUARANTEE:

Please contact your local branch to replace tool. If replacement is in stock, a new tool will be issued. If not in stock, replacement will be issued by manufacturer. Please note: All lifetime warranties are subject to manufacturers terms & conditions.

16. POWER HAND TOOLS WARRANTY:

The successful bidder shall be required to extend any and all manufacturers warranties for power hand tools supplied as part of this contract.

17. CATALOGS & PRICE LIST:

Catalogs and price list(s) shall be delivered to any requesting agency within fifteen (15) days. Upon first delivery to the State updated catalogs will be included with the order.
